Event Schedule

Details on the event schedule can be found by visiting:
<https://owasp2024globalappsecsanfra.sched.com/>

Vendor Passport

To help generate the most foot traffic to your expo area, we will be hosting a Vendor Passport activity. **This is a benefit that is included in our Diamond and Gold exhibit packages.** Silver and start-up exhibitors have the option to add the Vendor Passport to their package for an additional \$100. The deadline to confirm your participation is Aug. 20. Please contact me (kelly.santalucia@owasp.com) to learn more.

Please remember to have your prize (valued at \$50 or more), contributing to the success and excitement of the activity. Prizes must be unused, unopened, and easily transportable for convenience during collection and travel. If you do not have a prize, gift cards are a great option and are easy to find at a local store.

A member of the OWASP event management team will be around to collect your prize for the Vendor Passport program on Wednesday evening during set-up and again on Thursday morning. **PLEASE MAKE SURE YOUR PRIZE IS CLEARLY LABELED WITH YOUR COMPANY NAME ON THE OUTSIDE.**

How the Vendor Passport works:

Attendees will receive a “passport” when they check-in. They must visit all exhibitor booths to receive a “sticker”. Exhibitors are to place a sticker **over their company logo only**. Once an attendee has visited all of the participating exhibitors and received their “stickers”, they will drop their “passport” in a box at the registration desk. Winners will be pulled during the closing ceremony on Friday at 5:30pm. Winners must be present to win. Participating companies are encouraged to attend our closing ceremony so they can be recognized. Stickers will be provided inside your on-site packet upon arrival.

Official Global AppSec San Francisco Networking Reception sponsored by Adobe

The OWASP 2024 Global AppSec San Francisco official Networking Reception will be held Thursday evening, September 26 in the main exhibitor hall from 6:30pm-8:30pm. Drinks and food will be served. **All exhibitors are encouraged to attend** as it is a great opportunity to network with conference attendees. Open to all registered attendees.
